

PC TELCOM WIFI HOTSPOT PORTAL - APPLE

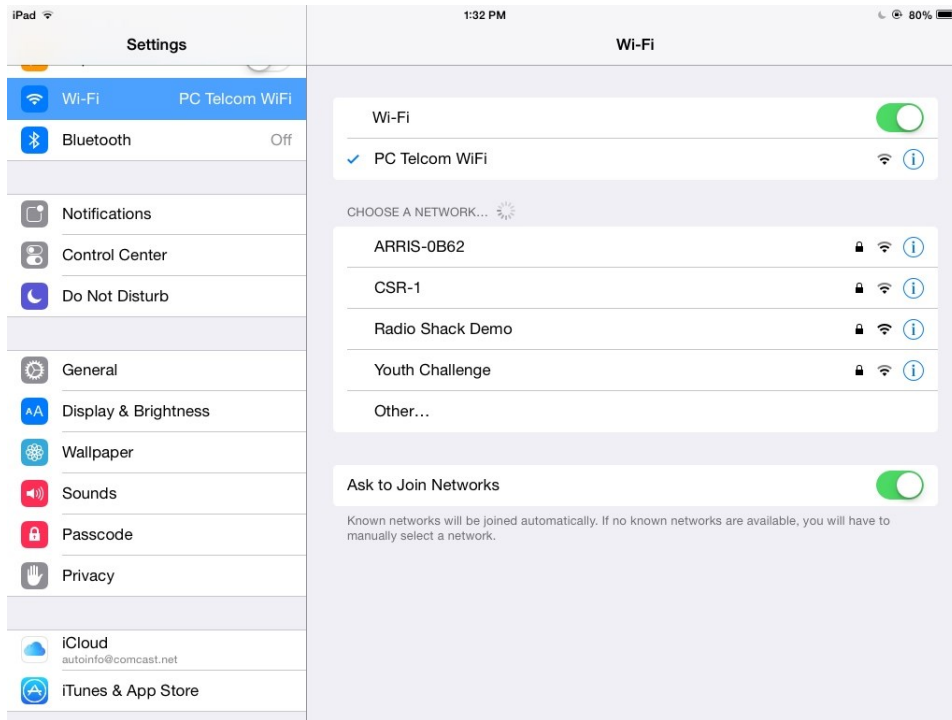

1. Look for “PC Telkom WiFi”

2. Select “PC Telkom WiFi”

3. Connected to “PC Telkom WiFi”

4. Select applicable service

Select this if you are a PC Telkom Internet Customer. You will need your PC Telkom e-mail and password. Enjoy **unlimited time** on the internet with this option.*

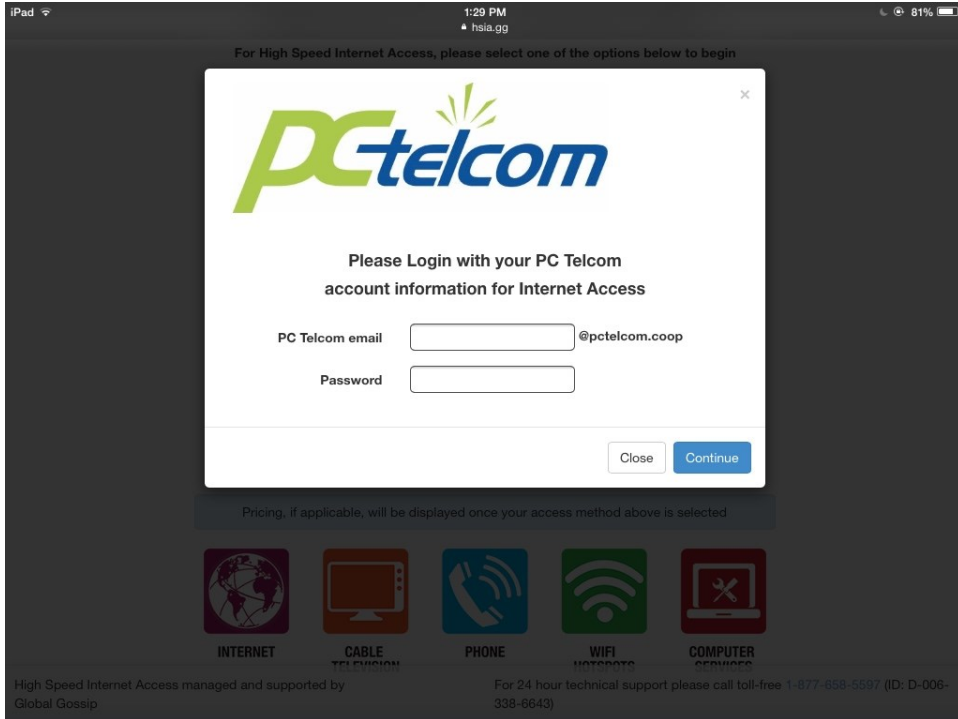

Select this if you have been given an access code.

Select this if you are not a PC Telkom Internet customer and enjoy 10 minutes of free Internet access per 24 hour period. You may then purchase a pass for continued use.

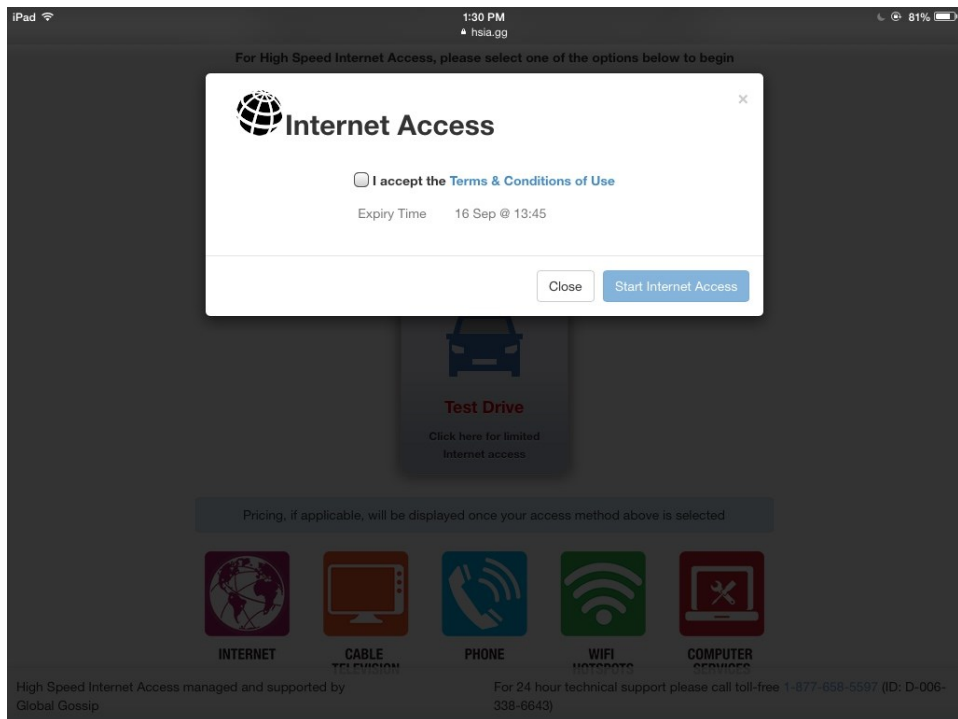

Select this if you are not a PC Telkom Internet Customer and wish to purchase a Day, Week or Monthly Internet access pass.

* There is a limit of two connected devices per PC Telkom e-mail. If you need to connect a different device please enter “logout.gg” in the browser of the device you wish to disconnect and enter. This will disconnect the device allowing connection of another device.

PC Telcom (PC Telcom Internet Customer) - log in with your PC Telcom e-mail and password. Only the information preceding the “@” needs to be entered.

Test Drive - Accept terms for free ten minutes of internet access per 24 hours.

Purchase a Pass - Select duration.
